Ivory, glazed

Design: Luise Terletzki-Scherf, 1933

height 3 cm · product no. 01.689

Those people who have already visited the Porzellan Manufaktur Nymphenburg will know how much care is devoted to the production of each individual item. Whether it is plate or a tureen, a chandelier or a miniature, each object is subjected to the same demands and earns the same levels of attention. Even examples such as this playing kitten that is only three centimetres in size, which Luise Terletzki-Scherf designed in 1933, require a lot of experience and masterly expertise.
